* **"Identified" / "IDed" does not mean "reported on a disclosure."** For example, Justice Thomas has only reported 27 of the above gifts on his disclosures. Gifts listed on disclosures are highlighted in yellow in subsequent tabs.

Across all the years and all the tabs, we count "meals" and "lodging" as two gifts, and we count each leg of a roundtrip flight as one gift, so it's two gifts per roundtrip, and unless otherwise stated, we assign the cost per hour of a flight on a private plane to be \$10,000 (can range from \$5,000 to \$25,000, depending on plane size and other circumstances). Gifts on the 2023 disclosures will be updated shortly (we counted six, so the 344 number is now 350).

Justices' gift-reporting threshold by year: 2023-2025: \$480 | 2020-2022: \$415 | 2017-2019: \$390 | 2014-2016: \$375 | 2011-2013: \$350 | 2008-2010: \$335 | 2005-2007: \$305 | 2002-2004: \$285 | 1999-2001: \$260 | 1981-1998: \$250
