

Dr Rachel Goode – Biography

Dr Rachel Goode is **Senior Vice President, Head of Legal and Intellectual Property at Fresenius Kabi Biopharmaceuticals**. In this role, she leads a global team of in-house attorneys and is responsible for the company's patent and legal strategy for its biosimilars business.

She has **published several peer-reviewed articles**, including **two papers in *JAMA***— one of the most prestigious and widely circulated peer-reviewed medical journals in the world —where she examined how patent thickets drive up drug prices. She has also **testified before the U.S. Senate Committee on the Judiciary**, advocating for patent reforms to support timely access to generic medicines and biosimilars.

Dr Goode is **licensed to practice law in Washington, D.C.**, and is a **registered patent attorney in both the United Kingdom and Europe**. She also holds a **Ph.D. in Molecular Biology**, bringing deep scientific expertise to her legal leadership.
