[ABOUT](#) ► [OUR TEAM](#) ► [JESSICA MELUGIN](#)

Jessica Melugin is director of the Center for Technology & Innovation at the Competitive Enterprise Institute. Her research focuses on technology issues including antitrust, online privacy, artificial intelligence, telecommunications, social media content and net neutrality regulation. Her writings have appeared in The New York Times, Wall Street Journal, Financial Times, USA Today, Bloomberg Law, National Review and others. She has been cited in The Washington Post, Politico, U.S. News and World Report and Variety. Ms. Melugin is a frequent cable news television and radio guest.

She is an Innovators Network Foundation Antitrust and Competition Policy Fellow.

Ms. Melugin graduated magna cum laude from Claremont McKenna College, with a degree in government and art history. Her honors thesis explored the development of

American antitrust law as it pertains to the Microsoft trial. She lives in Virginia's horse country with her children.
