

John Madsen
President of Raven
Retired Gainesville FL Police detective / ICAC Commander

John Madsen is a retired Detective with the Gainesville Police Department in Florida, with 10 years as the North Florida ICAC Task Force Commander, serving additionally as the Chair of the ICAC Emerging Technologies working group.

With training and experience in computer forensics, peer-to-peer investigations, and management of undercover investigations, John has designed and implemented several operational efforts such as multi-agency undercover traveler operations, victim identification collaborations with NCMEC, and child sexual abuse material categorization efforts with Homeland Security Investigations.

John currently serves as the Chief Operating Officer of Griffeye Inc, a wholly owned subsidiary of Magnet Forensics. Griffeye is a software company focused on visual media analysis in support of charging decisions, victim identification, and officer mental wellness.
