

PROFESSIONAL EXPERIENCE

OFFICE OF THE ATTORNEY GENERAL OF TEXAS, AUSTIN, TX, OCTOBER 2020 TO PRESENT

FIRST ASSISTANT ATTORNEY GENERAL OF TEXAS

Appointed by Texas Attorney General Ken Paxton, Webster serves as second in command over the Office of the Attorney General. Webster's job is to implement Attorney General Paxton's policy and litigation initiatives, represent the State of Texas in all matters and manage the day to day operation of the Office of the Attorney General, which employs approximately 4200 Texans, litigates 30,000 cases annually, and manages a fiscal year budget of over 750 million dollars. Webster is statutorily tasked with serving as the Attorney General if the elected Attorney General is absent or unable to act.

Webster has led a multi-pronged initiative at Attorney General Paxton's request to (1) serve as the primary check on the federal government's overreach, (2) ensure that Texas is deterring wrongful conduct in the state through civil enforcement mechanisms, and (3) instill a trial-focused, litigation-first mentality across the agency to foster better results for Texas in litigation. In only three years, Webster has led the Attorney General's litigation against the federal government in 65 lawsuits, brought in over a billion dollars in revenue for Texas, and led an agency-wide initiative to empower OAG lawyers to aggressively pursue the State's interests in court, whether against defiant municipalities, rogue school districts, or anyone else who violates the law in Texas.
