The War on Trans Kids Is Totally Unconstitutional - Ronald J. Krotoszynski, Jr. - The Atlantic buff.ly/3tXy2Hg

Children need support by parents and government, but sometimes need protection from parents and government. [#ChildRights](#)

“The idea that children are already people, with thoughts and needs independent of their parents, never factors into the party’s position at all.” - [@onesarahjones](#)

Yes, kids have rights too. From my column. 📌 (3)

There is no doubt that children need the support and protection of parents and government. But children also sometimes need protection **from** actions by parents and government that threaten their health, education, safety, and well-being.
