JEWISH ADVOCACY RESEARCH AND WRITER GROUP (ANONYMOUS WRITING GROUP FOR SECURITY PURPOSES): DIRECTOR OF STRATEGY

- Responsible for development and implementation of advocacy efforts in online letter-writing campaign to protect the rights of Jews and Israelis both in the U.S. and abroad. I develop/design campaigns to raise awareness about antisemitism, anti-America, pro-terrorist groups and individuals.
- Coordinate daily with other leads on strategies and resources for promoting and distributing “calls to action” and “click and send” letters and other campaigns to 50K members.
- Spearhead collection of data and reports detailing Title VI violations to Education Committee and Congress.

PRIMARY EMPHASIS

- My primary focus is on education, including both at the university level and K-12 schools as it relates to professors, teachers and educational unions.
- I am involved in all aspects of research and documentation, and letter writing regarding the antisemitic groups operating in our country including SJP/NSJP, CAIR, AMP, WOL, NLG, and DSA.
- I also focus my research/writing on the connections between antisemitism and the groups currently seeking to destroy the U.S. and Israel.
- I spearheaded the campaign to expose Rutgers University for Title VI violations.
- Primary researcher and writer in groups
- Conduct intake from students, professors, teachers and parents regarding antisemitic incidents
