Antonio M. Romanucci has lived his commitment to justice, starting with his early work as a Cook County Public Defender, to being named Leading Lawyers' Number One Civil Rights Lawyer and *Chicago Lawyer Magazine's* 2021 Person of the Year. He was also recognized by *Chicago Magazine* on their 'New Power 30' list and *Crain's The Book 2024* for his many contributions to the Chicago community. As a founding partner of the Chicago-based trial firm of Romanucci & Blandin, LLC, he has fought fiercely for victims of negligence, abuse, and wrongful death arising from cases of Civil Rights & Police Misconduct, Mass Torts & Class Actions, as well as Medical Malpractice and other catastrophic personal injuries. In the more than 25 years since co-founding R&B, he has taken pride in its impact litigation for clients around the country, as well as the firm's contributions to legislation related to its cases, which aim to improve safety in communities.

Referred to as the "architect" of the record-breaking and historic civil lawsuit alongside Ben Crump against the City of Minneapolis and four of its police officers for the murder of George Floyd, Mr. Romanucci also has a steadfast commitment to fighting for those seeking justice across the country. He is a recognized leader in complex, high-profile tort cases. Mr. Crump praised Mr. Romanucci's commitment to all clients, saying, "**When it's not the George Floyd cases, he still is as passionate as ever working on those cases that get no attention.**" Mr. Romanucci's vast experience has earned him the admiration of his colleagues, who have supported his rise to leadership positions locally and nationally. Following the 2017 mass shooting in Las Vegas, he was appointed to the legal steering committee, which helped obtain a settlement with MGM Resorts International worth up to \$800 million for thousands of victims and relatives affected. In February 2020, Romanucci was appointed to the Executive Leadership of attorneys in the 737MAX case against Boeing International. More recently, he has represented the family of Tyre Nichols, a former Chicago Blackhawks player abused by a coach and survivors and families of those impacted by mass shootings around the country. He was also part of the legal team that won a historic \$98 million verdict in Dallas in November 2024 for the shooting death of Botham Jean by former Dallas Police Officer Amber Guyger.

Outside the courtroom, Mr. Romanucci participates in many professional and charitable organizations. He was president of the Illinois Trial Lawyers Association in 2019-2020 and served as Chair of the Illinois Supreme Court Rules Committee. He has held multiple leadership roles for the American Association for Justice, including currently serving as a member of the
