Dr. Nick Hart is President of the Data Foundation, a national non-profit organization that works to improve government, business, and society through open data and evidence-informed public policy. He is a fellow at the Bipartisan Policy Center and with the National Academy of Public Administration. Dr. Hart previously served as the Policy and Research Director for the U.S. Commission on Evidence-Based Policymaking and worked at the White House Office of Management and Budget. He has a doctorate from George Washington University's Trachtenberg School of Public Policy and Public Administration, a Master of Science degree in Environmental Science and Master of Public Affairs degree from Indiana University, and a Bachelor of Science degree from Truman State University.
