

Truth in Testimony

1. Name: Caryn Schenewerk

2. Title: Senior Counsel & Senior Director, Space Flight Policy

3. Organization you are representing: SpaceX

4. Date of hearing: June 26, 2018

5. The amount and source of each federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing, received by you or an entity represented by you during this year or the prior two calendar years (2015 and 2016): (attach additional pages as necessary).

Space Exploration Technologies Corp (“SpaceX”) is a launch service provider that has contracts with a number of government agencies, including the National Aeronautics and Space Administration (NASA) and the Air Force. These contracts provide launch services under a number of government programs, including:

- NASA Commercial Crew Transportation Capability (CCtCap)
- NASA Commercial Resupply Services (CRS)
- U.S. Air Force Evolved Expendable Launch Vehicle (EELV) program launches

Additionally, SpaceX also has non-launch development contracts with various branches of the U.S. government.

6. The amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government, received by you or an entity represented by you during this year or the prior two calendar years (2015 and 2016): (attach additional pages as necessary)

SpaceX has commercial launch services contracts with foreign commercial and government customers for the launch of commercial satellites and other spacecraft. The services that SpaceX provides pursuant to these contracts are reviewed and approved in advance by the State, Defense, and Commerce Departments in the form of export licenses and other authorizations.
