

Kirk T. Steudle is the Director of the Michigan Department of Transportation (MDOT) and has served in that position since 2006. He is engaged in all aspects of transportation in the State of Michigan. Mr. Steudle is the 2013 Vice Chair of the Transportation Research Board (TRB) Executive Committee, on which he has been a member since 2004. He chairs the Strategic Highway Research Program (SHRP 2) Oversight Committee for TRB. He was the 2011-12 President of the American Association of State Highway and Transportation Officials (AASHTO) and is a member of the AASHTO Executive Committee. He is the 2013 Vice Chair for Board of Directors of the Intelligent Transportation Society of America (ITSA). He also is a member of the Intelligent Transportation Systems (ITS) Program Advisory Committee to the U.S. Department of Transportation. Additionally, he also serves on the Board of the Engineering Society of Detroit, and is Chair of the University of Michigan Transportation Research Institute (UMTRI) Advisory Board. He is also a trustee for the Traffic Improvement Association (TIA) of Michigan. Mr. Steudle is a graduate of Lawrence Technological University (LTU), where he received a Bachelor of Science Degree in Construction Engineering and is also on the LTU College of Engineering Advisory Board.
