

Brian L. Scott

Brian L. Scott is the President of Escot Bus Lines, LLC; which, is an established, second generation family owned and operated charter, contract transportation, and scheduled service bus operation with offices and facilities located in Tampa Bay (Largo), Orlando, and Sarasota, Florida. Currently Escot operates a fleet of 84 motorcoaches, transit buses, and mini-buses serving clientele as diverse as cross-country tours to employee-shuttle systems, and local work with schools, senior citizen groups, churches, etc. in the local Tampa Bay and Central Florida communities.

Mr. Scott currently serves as a Director for the United Motorcoach Association, having previously served as Chairman of the Board, and currently serves as the Chairman of the Risk Management Committee. He has served as Chairman of the International Motorcoach Group, President of the Florida Motorcoach Association and Director of the Global Passenger Network.

Mr. Scott also serves his community as a member of the Pinellas Suncoast Transit Authority Board of Directors with additional responsibilities on the Finance and Performance Management Committee, and Vice Chairman of the Pinellas County Local Coordinating Board for the Transportation Disadvantaged.

Escot Bus Lines has an active role in various capacities with emergency services. In particular, Escot provided buses for power crews in the Florida panhandle and Mississippi areas after hurricanes Katrina and Rita, Central and South Florida after Hurricane Charlie. Escot currently has emergency service agreements with an array of retirement communities in the Tampa Bay and Central Florida areas.
