

Dwayne Boyd
President, Midsouth Region
CRH Americas Materials

Dwayne Boyd is President of the Midsouth Region of CRH Americas Materials, Inc. With over 36 years of experience in the paving industry, he is a trusted leader that has transformed the industry and community in Mississippi and surrounding areas.

As a student at Mississippi State University, he began his career with an internship at APAC Mississippi on a paving crew. After graduating with a Bachelor of Business Administration, he remained with APAC where he spent a great deal of time and energy learning every aspect of paving. Dwayne's focus and dedication made him an increasingly vital part of his teams and projects and served him well on his rise to becoming Regional President leading operations in six states.

Often regarded as an industry expert, Dwayne's knowledge and experience are sought after by various organizations. During his tenure as Governor, Haley Barbour appointed him to Mississippi's Board of Contractors. He has served as a past President of the Mississippi Asphalt Association and Mississippi Roadbuilders Association. Dwayne currently serves on the Advisory Board for the Construction Materials Research Center at Mississippi State University.

Dwayne has been married to Kathy Toney Boyd for 34 years and has been a lifelong resident of the great state of Mississippi.
