

Brian Enders

VICE PRESIDENT

Brian Enders began his career at Northeast Asphalt as an intern during the summer of 2004 where he worked on a paving crew. Throughout college, Brian interned every summer and in 2007, he joined the team as a project manager. In 2017, Brian became the area manager for NEA South and in 2019, he joined the senior leadership team as vice president of Northeast Asphalt.

He is actively involved with a variety of professional organizations and in the local community. Brian currently serves on the board of directors for the Wisconsin Asphalt Paving Association, the National Center for Asphalt Technology (NCAT) at Auburn University, and the Fox West YMCA in Greenville, Wisconsin. In his spare time, he enjoys coaching youth basketball, football, and baseball.

Brian earned a bachelor's degree in civil engineering with an emphasis in construction management from the University of Wisconsin-Madison. He is also a graduate of the Leadership Fox Cities program through the Fox Cities Chamber of Commerce.
