

## **Kimberly Okafor**

*General Manager of Zero Emission Solutions*

Kim Okafor is the General Manager of Zero Emission Solutions for the Love's Family of Companies which includes Trillium Energy. Kim leads the strategy, development, and management of the EV charging, hydrogen fueling, and energy strategy businesses for the organization. Kim also leads the acquisition of grant funds for the organization. Under Kim's leadership, Trillium and Love's have increased its hydrogen portfolio to 5 fueling stations, its EV charging portfolio to over 230 ports, and acquired over \$40M in grants funds.

Kim also actively serves on the Board of Directors for the California Hydrogen Business Council and has an Electrical Engineering degree from the University of Houston. Kim's goal as the General Manager of Zero Emission Solutions is to develop economically sustainable business opportunities for our customers.
