

In 2021, Greg Regan was elected President of the Transportation Trades Department, AFL-CIO (TTD). TTD is America's largest transportation labor federation, representing 37 unions and millions of workers in transit, rail, aviation, maritime, and other essential industries. Mr. Regan oversees TTD's advocacy efforts on federal legislation, regulatory matters, and policy issues that impact transportation workers. Since 1990, TTD has proudly worked with elected leaders on both sides of the aisle to ensure the safety, security, and success of transportation and infrastructure workers and the systems they build, operate, maintain, and protect.
