

“The Future Belongs To Those Who Deliver!”

John K. Elliott II
Executive Chairman
Load One, L.L.C.

Professional Bio

In 2003, Mr. Elliott founded Load One, LLC. With the help of a dedicated professional management team, Load One has grown to over 150 million in annual revenue and operates over 500 power units. The company has won numerous awards and recognition and has been named as a “Best Fleet to Drive For” multiple times and a 2-time winner of CCJ Innovators Award, including 2019 Innovator of the Year. Mr. Elliott has been named personally as a Heavy Duty Trucking Innovator award winner and received the Mike Russell industry image award from the American Trucking Association.

Today the company is ranked as one of the 5 largest expedite companies in the United States by the Journal of Commerce. The company operates a state-of-the-art operation serving both domestic and international customers with an emphasis on service and technology. Mr. Elliott was also the founder of ARC Supply Chain Solutions, a global provider of 3rd party logistic services. He currently sits on their board of directors.

Mr. Elliott currently serves as a Past Chairman and Director on the Board of Directors of the Truckload Carriers Association and as Vice President at large of the American Trucking Association. Previously he served as President of TEANA (The Expedite Association of North America). The organization focuses on the industry and political needs of its motor carrier members that are primarily in the expedited transportation vertical.

Mr. Elliott is a third-generation transportation professional and has a degree in Aviation Management and Logistics from Eastern Michigan University and is blessed with one daughter.
