“TRUTH IN TESTIMONY” DISCLOSURE FORM

Clause 2(g) of rule XI of the Rules of the House of Representatives and the Rules of the Committee require the disclosure of the following information. A copy of this form should be attached to your written testimony and will be made publicly available in electronic format, as required by House rules.

1. **Date of Hearing:** April 19, 2019

2. **Your Name:** Mark Muro

3. **Organization or organizations you are representing:**

I am a senior fellow at The Brookings Institution. However, as noted below, I am presenting testimony representing my personal views. As an independent think tank, the Brookings Institution does not take institutional positions on any issue.

4. **Since January 1, 2017, have you or your organization(s) received any Federal grants or contracts (including subgrants and subcontracts) related to the subject of the hearing or your representational capacity at the hearing?** Yes No *(select one)*

5. **Since January 1, 2017, have you or your organization(s) received any contract or payment originating with a foreign government related to the subject of the hearing or your representational capacity at the hearing?** Yes No *(select one)*

6. **If you answered “Yes” to either item 4 or 5, list the source and amount of each grant, contract, or payment. You may list additional grants, contracts, or payments on additional sheets.**

Consistent with the Brookings Institution’s commitment to independence (which includes not taking Institutional positions on issues), I am informing the Committee that my testimony represents my personal views and does not reflect the views of Brookings, its other scholars, employees, officers, and/or trustees.

In further response, with consideration to the fact that I am testifying on my personal views, I am providing a link to reports that list Brookings’s donors, including any responsive Federal grants or contracts (including subgrants and subcontracts), and/or agreements or payments originating with a foreign government for the relevant time period. The reports can be found at www.brookings.edu/CongressionalTestimonyDisclosure. These Federal and/or foreign grants or payments were for independent research and analysis related to a number of subject matters, including a portion of which may be related to the subject matter of the present hearing. Brookings will update these reports on a regular basis.

Out of an abundance of caution, I have affirmatively responded to questions 4 and 5 above, in the event that some of the donors disclosed are responsive to these questions.
