Lonegro is Vice President of Service Design, CSX Transportation, Inc., at CSX Headquarters in Jacksonville, FL, and continues to serve as the Project Owner for CSX's Positive Train Control initiative. Lonegro previously was Vice President of Mechanical from December 2012 to June 2014. He was President of CSX Technology from October 2007 through December 2012. CSX Technology is a subsidiary of CSX and provides information technology services to the Company. Lonegro was responsible for IT Operations, Applications Development and Enterprise Services. In that role, Lonegro also served as the Project Owner for the Company's Positive Train Control initiative. He previously served as Vice President – Internal Audit from 2005 – 2007 and, prior to that, Assistant to the Chairman and Associate General Counsel. Before joining CSX in 2000, Lonegro was an attorney with two private law firms, McGuire Woods and Holland & Knight, and was engaged in business litigation and commercial transactions.
