

Chad Zamarin, SVP, The Williams Company on behalf of INGAA

Chad Zamarin became senior vice president of Corporate Strategic Development for Williams in June 2017. He oversees enterprise-level strategy, business development, customer-relationship management, and has additional responsibility for government affairs and project analysis.

Prior to joining Williams, he served as senior vice president and president, Pipeline and Midstream at Cheniere Energy, Inc. Before joining Cheniere Energy, Zamarin served in various executive roles at NiSource/Columbia Pipeline Group, including chief operating officer at NiSource Midstream, LLC and NiSource Energy Ventures, LLC, as well as president of Pennant Midstream, LLC.

**Education**

Zamarin earned a Bachelor of Science degree in materials engineering from Purdue University and holds a Master of Business Administration degree from the University of Houston.

**Industry/Community Leadership**

He was appointed by then Secretary of Transportation Ray LaHood and currently serves on the Department of Transportation's Gas Pipeline Advisory Committee. Zamarin also serves on the Board of Directors of the Interstate Natural Gas Association of America.
