

Section 2 of the resolution provides that the motion to reconsider the vote on the question of concurring in the matter comprising the remainder of title II of the Senate amendment to H.R. 1314 may continue to be postponed through the legislative day of Thursday, July 30, 2015.

EXPLANATION OF WAIVERS

The waiver of all points of order against consideration of the bill includes a waiver of clause 3(e)(1) of rule XIII (“Ramseyer”), requiring a committee report accompanying a bill amending or repealing statutes to show, by typographical device, parts of statute affected. The waiver is provided because the submission provided by the committee was insufficient to meet the standards established by the rule in its current form. The Committee on Rules continues to work with the House Office of Legislative Counsel and committees to determine the steps necessary to comply with the updated rule.

The waiver of all points of order against the amendment in the nature of a substitute made in order as original text includes a waiver of clause 7 of rule XVI, which requires that no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment. It is important to note that the provisions that make this waiver necessary were contained in the bill as reported by the Permanent Select Committee on Intelligence.

Although the resolution waives all points of order against the amendments printed in this report, the Committee is not aware of any points of order. The waiver is prophylactic in nature.

It is important to note that the estimate provided by the Congressional Budget Office (CBO) to the Permanent Select Committee on Intelligence and the Committee on the Budget is incomplete due to the fact that CBO is only permitted to score the unclassified portions of the bill. Because the estimate is incomplete, the Chair of the Committee on the Budget is unable to accurately advise the Chair on budget related points of order.
