

***MOTION BY M. \_\_\_\_\_ TO MAKE IN ORDER AMDT #682  
to H.R. 2670***

Mr. Chairman, I have an amendment to the rule. I move the Committee make in order amendment #682, offered by Representative Vicente Gonzalez, which ensures no federal funds are used for any costs associated with the development, licensing, granting of rights-of-way, construction, or operation of any consolidated interim storage facilities on or near the Permian Basin if consent from governing entities of jurisdiction is not granted, with exception for current facilities in which the military already stores nuclear waste.
