H.R. 7567***

Madam Chairwoman, I have an amendment to the rule. I move the Committee make in order amendment #114 to H.R. 7567, offered by Representative Pettersen, which requires the Forest Service to maintain staffing levels and available positions that are necessary to carry out wildfire mitigation and response, including staff who possess Incident Qualification Cards (red cards), conduct wildfire mitigation activities, or have wildfire response capabilities at the agency.
