

***MOTION BY M. _____ TO MAKE IN ORDER AMDT #105 to
H.R. 7567***

Madam Chairwoman, I have an amendment to the rule. I move the Committee make in order amendment #105 to H.R. 7567, offered by Representative Pettersen, which ensures that commercial weather data and tools are eligible for funding under the priority research areas for the U.S. Department of Agriculture's Agriculture and Food Research Initiative, boosting investments to mitigate risks for farmers and foresters during extreme weather events (identical to H.R. 4414 in the 119th Congress).
