

***MOTION BY M. \_\_\_\_\_ TO MAKE IN ORDER AMDT  
#4 to S. 1318.***

Madam Chair, I have an amendment to the rule. I move the committee make in order amendment #4 to S. 1318 offered by Representative Massie, which strikes the expanded definition of "electronic communication service provider" under FISA to prohibit compelled government access, without a warrant, to information held at private data centers, cloud infrastructure, enterprise IT systems, and network administration services not traditionally classified as communications carriers. Invalidates any Section 702 directives issued under the expanded definition.
