

***MOTION BY M. _____ TO MAKE IN ORDER AMDT
#9 to S. 1318.***

Madam Chair, I have an amendment to the rule. I move the committee make in order amendment #9 to S. 1318 offered by Representative Rose, which directs the Department of Justice Inspector General to review and publicly report on the FBI's use of the "advanced filtering tool" described in the October 2025 DOJ report entitled "A Review of the Federal Bureau of Investigation's Querying Practices Under Section 702 of the Foreign Intelligence Surveillance Act", which found the tool had been used in violation of FBI querying procedures for untracked queries, and to brief all Members of Congress on the findings.
