

***MOTION BY M. \_\_\_\_\_ TO MAKE IN ORDER AMDT #157 to  
H.R. 7567***

Madam Chairwoman, I have an amendment to the rule. I move the Committee make in order amendment #157 to H.R. 7567, offered by Representative Houlihan, which expands the BioPreferred Program by requiring annual increases in biobased procurement, establishing price preferences, promoting U.S.-produced products, tightening exceptions including Buy American compliance, and improving reporting, training, and federal catalog identification. Requires expanded data reporting on economic impacts and facilities and a GAO review with recommendations to improve the program.
