

***MOTION BY M. _____ TO PROVIDE SAME DAY
AUTHORITY FOR H.R. 4849.***

I move the committee add a section to the rule additionally granting same day authority for a rule providing for the consideration of H.R. 4849, the Protecting Health Care and Lowering Costs Act, which would undo the disastrous health care cuts that Republicans imposed as part of their Big Ugly Bill last July and permanently extend the enhanced Affordable Care Act premium tax credits that Republicans let expire.
