NOTICE OF HEARING

March 8, 2017

11:00 A.M., 2360 Rayburn House Office Building

TO: Members, Committee on Small Business

FROM: Steve Chabot, Chairman

DATE: Wednesday, March 1, 2017

The Committee on Small Business will meet for a hearing titled, “Small Business Cybersecurity: Federal Resources and Coordination.” The hearing is scheduled to begin at **11:00 A.M. on Wednesday, March 8, 2017 in Room 2360 of the Rayburn House Office Building.**

As small business’s reliance on information technology products and services grows each year, they face an even greater threat from cyber attacks. Although many federal agencies provide cybersecurity resources for small businesses, there is a lack of coordination between the various agencies to ensure that small businesses can access these tools to protect and combat cyber attacks in an efficient and effective manner. As the Committee has learned through previous hearings, a cyber attack can destroy a small business. This hearing will examine how the federal government can ensure that small businesses have the tools they need to protect themselves from cyber threats.

A staff briefing will be held at 2:00 P.M. on Monday, March 6 in Room 2360 of the Rayburn House Office Building.
