

## Jason Miller Bio

Jason Miller is the Vice President, Treasurer, and General Manager of Delhi Telephone Company and DTC Cable. Jason started with DTC in May of 2008 and has held various roles within the Company over the past 11 years, becoming GM in 2013.

DTC currently maintains the following business lines: local telephone, long distance, Internet, television, security, and IT consulting. DTC has over 35 employees and over 3,500 customers.

DTC has partnered with Margaretville Telephone Company and the Delaware County Electric Cooperative on the Delaware County Broadband Initiative (DCBI) since 2015. As part of this partnership DTC has a total of \$30 million (DTC portion) in NYS Grant awards. DTC will be completing 1,200 miles of fiber optic builds, passing approximately 15,000 homes.

Jason currently is Chairman of the NYSTA Government Affairs Committee, is a member of the NTCA Government Affairs Committee, and is on the Board of Directors for NYSTA and the NTCA Rural Broadband PAC.

Jason has a Bachelor's degree in Accounting from Syracuse University and a Masters of Business Administration degree from Binghamton University.

Jason currently resides in Delaware County in the Town of Masonville with his wife, Julie, and four children (Lily 21, John 18, Ben 14, and AJ 10).
