

Biography – Andrew V. Christ

Andrew Christ
Chief Operating Officer
Compass Constructors
7901 Prospect Avenue
Kansas City, MO 64132

Mr. Andrew V Christ is currently the Chief Operating Officer, and co-owner, of Compass Constructors. Mr. Christ graduated from Kansas State University in 2008 with a Bachelor of Science degree in construction science and management. Before joining Compass Constructors, he worked for a large General Contractor and helped deliver over \$450 million in various federal projects throughout the United States. Mr. Christ has been involved in the commercial construction industry since 2004 and became an ICC Accredited Commercial Building Inspector in 2010. Mr. Christ currently serves as the President for the Greater Chapter of Kansas City for the American Subcontractors Association and will be assuming duties as the National Vice President for the American Subcontractors Association in June of 2024. Mr. Christ has been a native of the Kansas City Area for over 20 years and is extremely active in the local community development and outreach. Mr. Christ is a proven Chief Operating Officer with extensive experience in the planning, coordination, management, and delivery of Federal Contracting projects for various Federal entities including, but not limited to, U.S. Corps of Engineers, NAVFAC, AFCEC, Department of Interior, and GSA. Mr. Christ has extensive history in managing all facets of site-specific building project activities including permitting, cost controls and scheduling, construction, estimating, job site supervision and contract negotiations, subcontractor and labor relations, and safety compliance. Mr. Christ continues to demonstrate the ability to building and motivate highly effective federal contracting teams and project.
