

Shirley Modlin, Co-Owner, 3D Design and Manufacturing in Powhatan, VA

Shirley and her husband David started 3D Design together as a family business and enjoy a 25-acre horse farm in Powhatan, VA. Residing in Central Virginia, 3D has engineering and manufacturing capabilities with 40-plus years of experience in the industry. Shirley and David are committed to building productive relationships with customers. Their customers have access to skilled engineers, mechanical technicians, and electrical specialists from initiation to completion of their projects. In-house manufacturing capabilities and research resources enhance the progress of projects and guarantee the highest quality of service.
