

Susan J. Moser, CPA, CITP

Partner, Advisory Services
DC/Virginia Regional Market Leader
Government Contracting Leader

Founder and Leader of the Firm's Government Contractor Services Group and Regional Market Leader of Cherry Bekaert's Washington, D.C. and Virginia practices, Susan provides a unique insight into the needs and perspective of her clients. She assists government contractor and technology clients with a wide array of accounting and consulting services, including strategic assessment plans, business process reviews, regulatory guidance, proposal pricing and cost strategies.

Susan works with both large and small business contractors, helping them with all of the compliance requirements that go along with doing business with the Federal government. She has particular expertise with the Small Business Administration (SBA) small business programs, including the 8(a) program, Service-Disabled Veteran-Owned Small Business (SDVOSB) program, Women-Owned Small Business (WOSB) program and the Mentor-Protégé program.

After bringing her operational experience in industry to Cherry Bekaert in 1997, she became a Partner in 1999 and then moved to the Washington, D.C., office to serve as Partner in Charge in 2006.

In addition to her tenure as the CFO of a federal contractor with international operations, Susan has served as an auditor with a national accounting firm, a project accounting manager for a large real estate corporation with federal projects and a controller for one of the Hampton Roads area's largest government contractors.

Susan is a frequent speaker on complex issues affecting government contractors and is a subject matter expert on compliance with the Federal Acquisition Regulation.
