

Arshdeep Khurana
CEO, AVOSYS TECHNOLOGY

Arshdeep Khurana serves as the Chief Executive Officer at (Aai-vo-sys) Avosys Technology Inc., headquartered in San Antonio, Texas. AVOSYS provides Enterprise IT support, Information Assurance, Software and Data Engineering, Healthcare IT, Healthcare staffing and Biomedical R&D Support Services to federal government clients. Established in 1998, he has grown his company from a one-man operation to currently servicing over 50+ contracts with employees in fourteen states. Under his leadership, the company has achieved industry leading certifications such as CMMI Level 3, ISO 9001 and 27001 certifications and Joint HealthCare Staffing Gold seal certification.

Mr. Khurana immigrated to United States in pursuit of higher education with an American dream of becoming an entrepreneur. He serviced small and midsize businesses as a trusted CIO for over a decade. After naturalization, Mr. Khurana started his business from his apartment with a single dial-up internet connection and a server. He leveraged university computer labs to learn and experiment with technologies to create its portfolio of product and service offerings. Mr. Khurana was accepted to SBA's 8(a) program in 2011. Through the program, his company was awarded a \$48M competitive contract award from the Airforce to provide Clinical Healthcare Services to our men and women in uniform serving our country.

Mr. Khurana is a recipient of various professional accolades, including the Business Excellent in Contract Services award from SBA, 2016 Minority IT Firm of the Year award from National Minority Development Council (NMDC), co-founder of San Antonio Healthcare Information Management Society and has served as a key participant on multiple contract procurement program and policy advocacy efforts with SBA and Government agencies.

Mr. Khurana has a bachelor's degree in Computer Science & Engineering with summa-cum-laude highest distinction and earned a Master of Business Administration (MBA) from the University of Nebraska at Omaha.
