

ASR Management & Technical Services

ASR International Corporation

An ISO 9001:2015 Certified Company
Assessed at SEI CMMI Level 3

Rao Anumolu – President & CEO – ASR International Corp.

In 1986, Mr. Rao founded ASR International Corporation, a technology company, in Long Island, NY. After 9/11, ASR embarked on applying its methodology of cost-effective, high quality services to serve the nation.

ASR's outstanding contribution to Homeland Security resulted in US Congress recognition in 2003, through Honorable Congresswoman Carolyn McCarthy. She stated:

"Mr. Speaker, I rise today in appreciation and recognition of Mr. Rao S. Anumolu of Hauppauge, NY for his tireless efforts in support of our nation's defense. As President and CEO of ASR International Corporation, Mr. Anumolu has helped the Department of Defense in its fight to protect our homeland since the attack on our country on September 11th and particularly during the Iraqi war. Since its inception in 1986, ASR International has developed cost effective technology and systems to protect our nation's airports, waterways, railroads and highways. Most recently, ASR International has developed the "SAFETY/SECURITY ASSURANCE SYSTEM" in order to further support our efforts at Homeland Security in a comprehensive and cost effective manner."

The award of the Ellis Island Medal of Honor in 2010 reaffirmed the honor that was bestowed on Rao by the US Congress.

Rao came to Chicago for higher studies in 1969 and obtained a Master's degree in Industrial Engineering and also an MBA degree from Illinois Institute of Technology. In addition, he attended several Advanced Management Courses at Defense Systems Management College, Harvard University and Wharton School of Business Management. He is also an OPM graduate of Harvard Business School (HBS). Long Island University has conferred an Honorary Doctorate Degree on Rao Anumolu,

During Rao's professional career in USA, he has held senior management positions directing commercial and government programs that included multi-billion major aerospace design and development projects. He launched major technology initiatives and have managed several high-technology programs which were completed on time and within budget to the total satisfaction of the customers.

Armed with this technical experience and background, Rao founded ASR International Corporation in 1986 in Long Island, NY. ASR is now a world renowned high technology company providing Engineering, Information Technology, Quality Assurance, Construction Management, Supply Chain Management Support Services DoD, US Government Agencies, and Fortune 100 companies.

ASR International Corp.

ASR is a true embodiment of the American spirit - an innovative company, with a can-do attitude, providing compelling business value to its customers and creating jobs in USA. ASR does this by harnessing the biggest energy resource in USA - the tenacity, the resoluteness and 'never give up' attitude of its hard working people.

Rao has served on the advisory boards of leading academic institutions in Long Island, NY. Currently he is [serving as a trustee for the prestigious Long Island University](#).

He is an example of living the American Dream where anybody, regardless of nationality or color of the skin, can achieve what he or she sets out to do! Rao truly embodies the spirit of America - an immigrant from India was given the opportunities to contribute to the society - and bestowed upon him the highest accolades.

ASR has the experience of over 100 Government contracts for multiple agencies: DoD, DON, GSA, VA, GPO, USPS, US Army, US Air Force in the following areas:

- ◆ Logistics, Supply Chain,
- ◆ Infrastructure Support,
- ◆ Aviation Maintenance,
- ◆ Engineering,
- ◆ Quality Assurance / Quality Control,
- ◆ IT, Cybersecurity.

Rao is blessed with three grandchildren and two sons - Praveen Anumolu who is a graduate of Cornell University with M.S. in Engineering and Naveen Anumolu who has graduated in Engineering from Stony Brook University. His wife Rajeswari's total support in all his endeavors is the primary reason for his success.

Congressional Record

PROCEEDINGS AND DEBATES OF THE 108th CONGRESS, FIRST SESSION

WASHINGTON, THURSDAY, JUNE 26, 2003

House of Representatives

Ms. McCARTHY of New York. Mr. Speaker, I rise today in appreciation and recognition of Mr. Rao S. Anumolu of Hauppauge, NY for his tireless efforts in support of our nation's defense. As President and CEO of ASR International Corporation, Mr. Anumolu helped the Department of Defense in its fight to protect our homeland since the attack on our country on September 11th and particularly during the Iraqi war. Since its inception in 1986, ASR International has developed cost effective technology and systems to protect our nation's airports, waterways, railroads and highways. Most recently, ASR International produced the "SAFETY/SECURITY ASSURANCE SYSTEM" to further support our efforts at Homeland Security in a comprehensive and cost effective manner.

In addition to Mr. Anumolu's arduous work with ASR International, he has made quite a name for himself outside their doors. Earning a MS in Industrial Engineering and a MBA in Management, Mr. Anumolu furthered his education in the field of defense by enrolling in many courses at Defense Systems Management College, Harvard University and other esteemed institutions. With this stellar academic background, Mr. Anumolu entered the work force, holding such prestigious positions as Senior Engineer, Program Manager and Director of Prime Defense contractors before founding ASR International in 1986.

This is not the first time Mr. Anumolu has been recognized for his efforts. In 1993, Mr. Anumolu received the Business Excellence Award from the US Small Business Administration for his work in the field of defense. Now, it is my turn to say 'Thanks.'

Mr. Speaker, I ask my colleagues to join with me to express our gratitude to Mr. Anumolu for his exemplary work and dedication to the safety and protection of all Americans. His many accomplishments have helped make the United States a safe place for all.

A handwritten signature in cursive script that reads "Carolyn M. McCarthy".

CAROLYN McCARTHY
MEMBER OF CONGRESS (NY -04)
