

Carl Kopfinger
Senior Vice President & Managing Director
Community Capital Group

Mr. Kopfinger is a Senior Vice President of TD Bank, N.A. based in Philadelphia, Pa. He is responsible for managing and monitoring the Bank's Small Business Investment Company ("SBIC") portfolio comprised of more than 75 venture capital, mezzanine and lower middle market buyout fund investments. He joined TD Bank and its predecessor Bank in 2004.

Mr. Kopfinger represents the Bank as a Limited Partner, Advisory, Valuation and/or Investment Committee member in many of its venture and mezzanine fund investments, specifically Argentum Capital, Argosy Investment Partners, Balance Point Capital, Boathouse Capital, Farragut Capital, Ironwood Mezzanine, Leeds Novamark, Lineage Capital, Long River Ventures, NewSpring Mezzanine, Pine Street Capital, Plexus Capital, Primary Ventures, Spring Capital and Stonehenge Growth Equity to name a few. He has coached and judged venture-backed companies for the Mid-Atlantic Venture Conference, the Three Rivers Venture Fair, Early Stage East and the NJ Venture Conference. Prior to joining TD Bank, Mr. Kopfinger worked for FleetBoston Financial, now Bank of America, and with Comerica Bank's Technology & Life Sciences Division. He has also worked with Fortune 1000 companies, providing them with structured finance and other credit and non-credit products, with his prior employers - Bank Hapoalim, PNC and Mellon Banks. He has more than 40 years of progressive financial experience.

Mr. Kopfinger is on the Board of the University City Science Center (SC) and the Small Business Investors Alliance (SBIA). He previously served on the Board of the Delaware Tamanend Foundation, where he is a registered tribal member. His professional affiliations include the Association for Corporate Growth (ACG) and the SBIA. He is a frequent speaker for the OCC, the Federal Reserve Bank of Boston, Capital Roundtable and the SBIA on SBIC investing.

Mr. Kopfinger graduated from DeSales University with a Bachelor of Science Degree in Biology. He was also attended Widener University and was a MBA Finance Candidate.
