

Angelo Valletta has been President and CEO at Ben Franklin Technology Partners of Northeastern Pennsylvania since January 2021. He brings close to forty years of progressively responsible managerial experience in diverse industries with companies ranging in size from small consultants to multi-national firms.

Prior to joining Ben Franklin Northeast, he served in several executive leadership roles at FISGlobal, one of the largest FinTech's in the world; President and CEO of an independent Community Foundation; Senior Vice President and Chief Bank Operations and Information Officer at Sun National Bank; and Philadelphia Market Chief Information Officer at PNCBank.

Valletta holds an MBA from Philadelphia University and a B.B.A. in Computer Information Systems from Temple University. He's engaged in several nonprofit boards and committees, including the PA Governor Economic Development Transition Committee; Red Cross Rivers Chapter Board; GO PA Investment Committee; Alvernia University's O'Pake Institute Innovation & Investment Board; Pierce College Technology Advisory Board, and Chairs the Louis A. Valletta Endowed Scholarship at Temple University.

He has received honors including the Temple University Alumni Diamond Award, Bank System & Tech Elite 8 Award, and SmartCXO Magazine Top 10 Honoree, among others. His book, *The Seven Rs of Leadership and Life*, was recently published by Newman Springs.
