

AMENDMENT TO H.R. 4489

OFFERED BY MR. PERLMUTTER OF COLORADO

At the end of the bill, add the following new title:

1 **TITLE VI—HELICOPTER FUEL**
2 **SYSTEM SAFETY**

3 **SEC. 51. HELICOPTER CRASH-RESISTANT FUEL SYSTEMS.**

4 Not later than December 31, 2016, in accordance
5 with the safety recommendations of the National Trans-
6 portation Safety Board (A-15-12), the Administrator shall
7 issue regulations to ensure that the requirements of sec-
8 tion 952 of part 27 and section 952 of part 14 of the
9 Code of Federal Regulations are met by requiring that all
10 newly manufactured helicopters, regardless of the design's
11 original certification date, have fuel systems that meet the
12 crash-worthiness requirements of such sections.
