**Markup of:**  
**H.R. 5312, the "Networking and Information Technology Research and Development Modernization Act of 2016"**

Today, per agreement between the majority and minority, the Committee considered a Committee Print of the "Networking and Information Technology Research and Development Modernization Act of 2016." The Committee Print and amendments approved by the Committee have been introduced as H.R. 5312 (text attached). Tomorrow, the Chairman will convene a very short markup in order to report H.R. 5312, a procedural formality. The markup will immediately precede the Full Committee hearing, "Science of Zika: The DNA of an Epidemic," and no recorded votes are expected. Please call me with any questions.
