

AMENDMENT TO H.R. 4866
OFFERED BY MR. BABIN OF TEXAS

In section 2(i), insert after paragraph (4) the following:

1 (5) AIRSPACE OPERATIONS SYSTEM.—The Ad-
2 ministrator of the National Oceanic and Atmos-
3 pheric Administration, in cooperation with the Ad-
4 ministrator of the National Aeronautics and Space
5 Administration, shall utilize the capabilities of un-
6 manned aircraft systems as appropriate for fire
7 weather and fire environment observations, and may
8 use a wildfire airspace operations system that ac-
9 counts for piloted aircraft, unmanned aircraft sys-
10 tems, and other new and emerging capabilities after
11 such airspace operations system is developed and de-
12 termined ready for operational use by the Adminis-
13 trator of the National Aeronautics and Space Ad-
14 ministration.
