

Witness Name: John W. Gale

Title: Head of U.S. Government Affairs

Company: Pano AI

LinkedIn: <https://www.linkedin.com/in/john-w-gale/>

Biography: John spent more than twenty years leading policy and government relations for nonprofit organizations and most recently served as the Program Executive for Intergovernmental and External Affairs at the U.S. Department of the Interior's Bureau of Land Management, leading its Western Headquarters in Grand Junction, Colorado. In his current role as Head of Government Affairs for Pano AI, John is dedicated to expanding public-private partnerships and enhancing collaboration with management agencies and decision-makers at all levels of government to address the complexities of wildfire management across jurisdictions.

[Pano AI](#) is the leading AI-powered wildfire detection and situational awareness company, delivering enterprise-grade technology solutions and actionable intelligence that helps emergency responders get to wildfires faster, more safely, and with better coordination. By giving firefighters the information they need to quickly assess emerging threats and deploy the right resources, Pano helps keep fires smaller and communities better protected.
