

Truth in Testimony Disclosure Form

In accordance with Rule XI, clause 2(g)(5)* of the *Rules of the House of Representatives*, witnesses are asked to disclose the following information. Please complete this form electronically by filling in the provided blanks.

Committee: Science, Space, and Technology

Subcommittee: Research and Technology

Hearing Date: 05/06/2021

Hearing Title :

National Science Foundation:
Advancing Research for the Future of U.S. Innovation Part II

Witness Name: Gabriela Cruz Thompson

Position/Title: Director, University Research and Collaboration, Intel Labs, Intel Corporation

Witness Type: Governmental Non-governmental

Are you representing yourself or an organization? Self Organization

If you are representing an organization, please list what entity or entities you are representing:

Intel Corporation

FOR WITNESSES APPEARING IN A NON-GOVERNMENTAL CAPACITY

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

Are you a fiduciary—including, but not limited to, a director, officer, advisor, or resident agent—of any organization or entity that has an interest in the subject matter of the hearing? If so, please list the name of the organization(s) or entities.

I am the Director of University Research and Collaboration at Intel Labs, which is a division of Intel Corporation.

Please list any federal grants or contracts (including subgrants or subcontracts) related to the hearing's subject matter that you, the organization(s) you represent, or entities for which you serve as a fiduciary have received in the past thirty-six months from the date of the hearing. Include the source and amount of each grant or contract.

I personally am not a party to any agreement with a for-profit or non-profit firm that provides research support. My employer, Intel Corporation, has numerous research-related agreements with third parties across the private and public sector in the US and abroad. The following is a list of NSF-Intel MOUs that direct funding to academic researchers:

- Resilient and Intelligent Next-Generation Systems NSF and the rest of the collaborating members including Intel will fund up to \$40M.
- AI Institute for Optimization. NSF will fund up to \$20M, Intel will fund up to \$5M.
- Machine Learning for Wireless Networking Systems. NSF will fund up to \$6M, Intel will fund up to \$3M.
- Foundational Microarchitecture. NSF will fund up to \$3.5M, Intel will fund up to \$4.5M.
- Computer Assisted Programming for Heterogeneous Architectures. NSF will fund up to \$3.5M, Intel will fund up to \$3.5M.
- Information-Centric Networking Wireless Edge Networks. NSF funded \$3.5M, Intel funded \$3M.
- Visual and Experiential Computing. NSF funded \$3.65M, Intel funded \$3.65M.
- Cyber-Physical Systems Security and Privacy. NSF funded \$3.65M, Intel funded \$3.65M.
- Convergence Accelerator (CA): Neuroscience, Machine Learning and Beyond, this is the only program with an Intel Principal Investigator. NSF has funded \$993,102.00 and Intel is receiving \$190k as subcontractor of Princeton University

Please list any contracts, grants, or payments originating with a foreign government and related to the hearing's subject that you, the organization(s) you represent, or entities for which you serve as a fiduciary have received in the past thirty-six months from the date of the hearing. Include the amount and country of origin of each contract or payment.

I am not aware of any contracts, grants or payments to Intel Corporation originating with a foreign government that relate to the subject matter of this hearing. To my knowledge Intel has not received any funding from foreign governments to invest in research and the STEM workforce in the US.

Please complete the following fields. If necessary, attach additional sheet(s) to provide more information.

- I have attached a written statement of proposed testimony.
- I have attached my curriculum vitae or biography.

*Rule XI, clause 2(g)(5), of the U.S. House of Representatives provides:

(5)(A) Each committee shall, to the greatest extent practicable, require witnesses who appear before it to submit in advance written statements of proposed testimony and to limit their initial presentations to the committee to brief summaries thereof.

(B) In the case of a witness appearing in a non-governmental capacity, a written statement of proposed testimony shall include— (i) a curriculum vitae; (ii) a disclosure of any Federal grants or contracts, or contracts, grants, or payments originating with a foreign government, received during the past 36 months by the witness or by an entity represented by the witness and related to the subject matter of the hearing; and (iii) a disclosure of whether the witness is a fiduciary (including, but not limited to, a director, officer, advisor, or resident agent) of any organization or entity that has an interest in the subject matter of the hearing.

(C) The disclosure referred to in subdivision (B)(iii) shall include— (i) the amount and source of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) related to the subject matter of the hearing; and (ii) the amount and country of origin of any payment or contract related to the subject matter of the hearing originating with a foreign government.

(D) Such statements, with appropriate redactions to protect the privacy or security of the witness, shall be made publicly available in electronic form 24 hours before the witness appears to the extent practicable, but not later than one day after the witness appears.

False Statements Certification

Knowingly providing material false information to this committee/subcommittee, or knowingly concealing material information from this committee/subcommittee, is a crime (18 U.S.C. § 1001). This form will be made part of the hearing record.
