

Dennis A. Tito is the Chief Executive Officer of Wilshire Associates Incorporated, a leading provider of investment management, consulting and technology services as well as the Executive Director of the Inspiration Mars Foundation.

Tito earned a B.S. in Astronautics and Aeronautics from NYU College of Engineering and a M.S. from Rensselaer in Engineering Science. He began his career as an aerospace engineer with NASA's Jet Propulsion Laboratory at the age of 23. While serving at JPL, he was responsible for designing the trajectories for the Mariner spacecraft missions to Mars and Venus. Although he left to pursue a career in investment management, Tito remained interested in and committed to the exploration of space.

On April 28, 2001, Tito, who served as a crewmember of an eight-day Russian Soyuz taxi mission to the International Space Station, fulfilled his 40 year dream to orbit the earth.

In February 2013, Tito announced his intention to send a privately financed spaceflight to Mars by 2018 and founded the non-profit Inspiration Mars Foundation.
