

Nick Loris

Herbert and Joyce Morgan Fellow in Energy and
Environmental Policy
The Heritage Foundation

Nick Loris, an economist, focuses on energy, environmental, and regulatory issues as the Herbert and Joyce Morgan fellow at The Heritage Foundation. A research fellow in Heritage's Roe Institute for Economic Policy Studies, Loris studies and writes about energy supplies, energy prices, and other economic effects of environmental policies and regulations, including climate change legislation, energy efficiency mandates, and energy subsidies.

He also covers coal, oil, natural gas, nuclear gas, and renewable energy policy and articulates the benefits of free market environmentalism. Loris has testified before House and Senate committees. He has been published and quoted in major newspapers such as The Wall Street Journal and The New York Times. His radio and television appearances include CNN, Fox News Channel, MSNBC, and National Public Radio.

He is a [prolific contributor](#) to the energy and environment section of [The Daily Signal](#), Heritage's multimedia news organization. Before joining Heritage in 2007, Loris was an associate at the Charles G. Koch Charitable Foundation, immersing himself for a year in a market-based management program.

He received his master's degree in economics from George Mason University in Fairfax, Va. He holds a bachelor's degree in economics, finance, and political science from Albright College in Reading, Pa. Loris, who was born and grew up in Quakertown, Pa., currently resides in Washington, D.C.
