

## BIOGRAPHY OF JOSEPH MAJKUT

Dr. Joseph Majkut is director of climate policy at the Niskanen Center. He is an expert on climate science, the global carbon cycle, and risk and uncertainty analysis for decision-making. Before joining the Niskanen Center, he worked on climate change policy in Congress as a congressional science fellow, supported by the American Association for the Advancement of Science and the American Geoscience Institute. He holds degrees from Princeton University, the Delft University of Technology, and Harvey Mudd College.
