and insert the following:

1           “(C) The term ‘super construction project’—  
2                   “(i) means a project for the construction,  
3           alteration, or acquisition of a medical facility—  
4                   “(I) involving a total expenditure of  
5                   more than \$100,000,000; or  
6                   “(II) that has a level of complexity  
7                   designated for such purpose by the Sec-  
8                   retary, in consultation with an appropriate  
9                   non-Department Federal entity with the  
10                  ability to determine whether complexity  
11                  rises to an appropriate level; and  
12                  “(ii) does not include an acquisition by ex-  
13                  change.”; and  
14                  (d) by adding at the end the following new  
15                  paragraph:  
16                  “(5) NOTIFICATION OF CERTAIN SUPER CON-  
17                  STRUCTION PROJECTS.—Not later than 30 days be-  
18                  fore designating a project as a super construction

1 project pursuant to paragraph (4)(C)(ii) by reason  
2 of the level of complexity of the project, the Sec-  
3 retary shall provide the committees with notice of  
4 the Secretary's intention to do so.”.
