

Department of Veterans Affairs

Senior Executive Biography

Regan Crump, MSN, DrPH

Assistant Deputy Under Secretary for Health, Policy and Planning Veterans Health Administration

Dr. Regan Crump was appointed ADUSH for Policy and Planning on April 3, 2016. In this role, Dr. Crump is the principal advisor to the Under Secretary for Health on the development, implementation and impact of Veterans Health Administration (VHA) policy, system analyses, and strategic planning. He is responsible for the VA Enrollee Health Care Projection Model, an actuarial model used to project the health care service demand for over 8 million Veterans enrolled in the VA health care system. Dr. Crump also oversees the VHA Office of Rural Health which manages a \$250 million congressional appropriation to improve care for Veterans in rural areas.

Prior to his appointment in the Department of Veterans Affairs, Dr. Crump served for 33 years in the Department of Health and Human Services (HHS), most recently as the Associate Administrator for Regional Operations in the Health Resources and Services Administration (HRSA). Earlier in his career, Crump served as an occupational health nurse practitioner in Washington, DC, and as a family nurse practitioner at a Federally Qualified Health Center in Baltimore, Maryland after starting his career as a staff nurse at the U.S. Public Health Service (USPHS) hospital in Norfolk, Virginia. For the first 23 years of his career with HHS, Crump served as a commissioned officer in the USPHS, and retired February 2001 at the rank of Captain (O-6).
