## IN THE HOUSE OF REPRESENTATIVES

DECEMBER 3, 2019

Mr. KHANNA (for himself, Mr. KIM, Mr. WALTZ, and Mr. COOK) introduced the following bill; which was referred to the Committee on Veterans' Affairs

---

## A BILL

To amend title 38, United States Code, to authorize State approving agencies to carry out outreach activities.

1 *Be it enacted by the Senate and House of Representa-*  
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Veteran Outreach Un-  
5 derstanding To Reach Every American Courageous Hero  
6 Act” or the “Vet OUTREACH Act”.

7 **SEC. 2. FINDINGS.**

8 The Congress finds the following:

1           (1) State Approving Agencies (SAAs) play a  
2 critical role administering GI Bill benefits to vet-  
3 erans.

4           (2) SAAs ensure veterans can use their GI Bill  
5 benefits at quality education and job-training pro-  
6 grams like apprenticeships.

7           (3) The SAAs primary purpose is to review,  
8 evaluate, and approve education and training pro-  
9 grams to ensure veterans have the highest quality  
10 education.

11           (4) The VALOR Act (Public Law 115–89),  
12 makes it easier for employers to offer apprentice-  
13 ships to veterans.

14           (5) In 2015, SAAs across the country con-  
15 ducted almost 50,000 outreach-related actions to  
16 ensure veterans were informed of the benefits they  
17 are entitled to receive.

18           (6) SAAs are now left to rely on outreach prod-  
19 ucts created before 2015 and can no longer travel to  
20 job fairs and employers to ensure veterans, edu-  
21 cational institutions, and employers know about the  
22 potential benefits and opportunities of the GI Bill.

1 **SEC. 3. AUTHORITY OF STATE APPROVING AGENCIES TO**  
2 **CARRY OUT OUTREACH ACTIVITIES.**

3 Section 3673 of title 38, United States Code, is  
4 amended by adding at the end the following new sub-  
5 section:

6 “(f) OUTREACH ACTIVITIES.—

7 “(1) A State approving agency may carry out  
8 outreach activities if it has properly conducted its  
9 enforcement and approval of education programs  
10 and funds are still available to do so.

11 “(2) A SAA shall be considered to have prop-  
12 erly conducted its enforcement and approval of edu-  
13 cation programs if it has met its Department of Vet-  
14 erans Affairs cooperative agreement requirements  
15 relating to the oversight and approval of programs,  
16 and has completed a risk-based program review of  
17 any program determined to be of questionable qual-  
18 ity or at risk by any Federal or State agency or any  
19 accrediting agency.

20 “(3) Outreach activities carried out under this  
21 subsection shall be carried out using amounts other-  
22 wise authorized to be appropriated. No additional  
23 amounts are authorized to be appropriated to carry  
24 out this subsection.”.
