Cultural Analysis & Building Inclusive Programs – Experience facilitating and educating on building inclusive programs and cultures. Provide cultural analysis and recommendations for programmatic and organizational improvements. Consulted on increasing organizational inclusion capacity and how to best create cultures that support folks of all identities. Experience analyzing macro level cultural issues and challenges and providing recommendations for improvements. Developed and implemented frameworks that recognize intersectionality and how accompanying systems of oppression impact underrepresented minorities.

Advocacy, Organizing, & Policy – Experience directly representing the unique needs of minority veterans – veterans of color, women, LGBTQ, and (non)religious minority veterans – to city, state, and national legislative bodies. Provided systemic analysis of legal and policy frameworks designed to support minority veterans and servicemembers.

Sexual Assault, Harassment, & Violence – Provided legislative inputs to Congressional representatives and committees on policy improvements and cultural reforms necessary to end sexual assault and harassment in the Department of Defense and Veterans Affairs. Engaged with survivors of military sexual trauma and created supportive programs and offerings. Serve as subject matter expert to agencies on issues regarding supporting survivors and understanding the unique experiences of minority veterans and servicemembers who are survivors.
