

Department of Veterans Affairs

Senior Executive Biography

Heather A. Ford, MBA, DODFMC3

Acting Chief Financial Officer Veterans Health Administration

Ms. Ford is responsible for providing advice and counsel on all financial management matters related to \$165.1 billion in appropriated funds supporting healthcare delivery to 9 million enrolled Veterans. Ms. Ford is also directly responsible for the direction and oversight of a 4,000-person team focused on budget, finance, revenue operations, and payment operations. In Ms. Ford's permanent position, she serves as the Associate Deputy Assistant Secretary for Budget Operations with the Office of Budget. In this capacity Ms. Ford is responsible for ensuring the VA's health, construction (Major and Minor), information technology, electronic health record, and the Cost of War Toxic Exposures Fund budgets are linked to the strategic direction of the Department. Ms. Ford completed her Level 3, Department of Defense Financial Management Certification and her awards include the Defense Health Agency Distinguished Civilian Service Medal and the Office of the Secretary of Defense Medal for Exceptional Civilian Service.
